Place your foot as shown on the chart to determine your shoe size. Please note that this chart accounts for the width of your foot but not the thickness. If you have thick feet and are more than halfway across a size column, consider one size larger. If you have a high instep and are less than halfway across a size column, consider one size smaller.

NOTE: Please begin with street shoe size and figure your DANCE SHOE size accordingly. (ex. smaller/larger means from street size.) Dancers should be professionally fit for their first pair of pointeshoes when possible. Should you have additional questions regarding sizing, please contact Customer Service at 800.470.1664.
