The Nutcracker

When Clara opens her gift at the beautiful holiday party, Uncle Drosselmeyer begins to work his magic. Dolls dance for the guests, toy soldiers and mice engage in battle, and Clara is swept away by the Prince on a sleigh ride through the snow

forest to the enchanting land of the Sugar Plum Fairy. We invite you to experience Clara's wondrous dream. Or, was it really only a dream?

This annual holiday favorite always sells out quickly, so you are encouraged to reserve your tickets early.

Beauty and the Beast

Fall in love with this celebrated fairy tale all over again – a mesmerizing and enchanting tale of adventure, unlikely friendships, and the power of true love! Belle, a bright, beautiful young woman who lives with her father in a small village, is taken prisoner by a beast in its castle. Despite her fears, she befriends the castle's enchanted staff and learns to look beyond the beast's appearance, allowing her to recognize the kind heart and soul that he hides on the inside. They fall in love and a magical transformation reveals the beast to be a true prince. This "tale as old as time" is the perfect show for the entire family!

Welcome to Mobile Ballet's Discover Dance program. We are delighted to offer live, fully-staged presentations of classical ballets to students throughout the Gulf Coast region. We believe that exposure to excellence in the arts is a vital part of every child's education. And, we're keenly aware that our youngest audiences sometimes hold the next generation of dancers, costumers, choreographers, set designers, lighting and sound engineers, and balletomanes.

To enhance the learning experience and prepare students for the performance, Mobile Ballet provides teachers with a comprehensive guide which includes the history of the ballet being presented, information about the composer, a ballet glossary, photos, and explanations of various ballet steps.
