

Mobile Ballet 2025-2026 New Registration Instructions

The first new item you will notice when registering is a drop-down tab located after your dancer's name labeled Division/Level. The default is Recreational, and should be left as Recreational when registering for anything other than Performance or Company Divisions (i.e. 2025-2026 Homeschool Division, 2025-2026 Academy, Adult 2025-2026, Recreational Division).

If you are registering for **Homeschool Division, Academy 2025-2026, or Adult 2025-2026 classes**, simply click on the correct button and the classes offered will be listed below. Select your Payment Plan and then select the classes desired for each of your dancers. When finished with your class selections, click on "Review & Checkout."

of Siblings: MULTIPLE Classes can be SELECTED for MULTIPLE Students and or Siblings at the SAME TIME

STUDENT NAME

1. Division / Level For recreational division, Select as many classes as you like in your Level. DO NOT select Repertoire classes.

2. Division / Level For recreational division, Select as many classes as you like in your Level. DO NOT select Repertoire classes.

For those registering for the **Performance or Company Divisions**, use the drop-down tab after your dancer's name to select a Division and Level. Then click the **MOBILE/EASTERN SHORE STUDIO 2025-2026** button. We strongly recommend having the class schedule by divisions handy as you select classes.

Once you are finished with your class selections, click the "Review and Checkout" button. If you are registering for Performance or Company Division and HAVE NOT selected all your required class, you will receive an error message prompting you to select the required number of classes for your Level (options will be shown). Please, refer to the Schedules by Divisions for a listing of required classes for each Level.

Completing Your Registration:

Once you are finished with your class selections, click the "Review and Checkout" button. If you are registering for Performance or Company Division and HAVE NOT selected all your required classes, you will receive an error message prompting you to go back and select more classes for your Level (options will be shown). Please refer to the **Schedules by Divisions** for a listing of required classes for each Level.

The Review and Checkout process has not changed. If applicable, your sibling discount will be automatically applied. The discount for paying in full for the year is also still available and will be automatically applied if you choose the "Full Payment" option.
